FROM THE LAST MEETING: Dr. Ryan Calhoun, a family chiropractor, provided the program. He is originally from Indiana and has been in practice in the area for five years. His presentation was on exercise and wellness. He stressed the importance of "God's food," and shared that poor nutrition and inactivity causes us to "age faster, grow larger, and die sooner." Nutrition and activity equals health. He also brought Lindsay Rhinehart, his office manager.

PRESIDENT COMMENTS: Fellow Lions, Many of you have asked about Campaign Sight First II and how our club is doing. Our club pledged an amount of \$20,400.00 and as of 09/16/07 we have contributed in total \$7,300.00 to this cause. Of this \$7,300.00, \$5,300 has come from individual contributions with the remainder coming from Activities funds from the Club Treasury. This is an admirable start but there is much more to do. We need to maximize our fundraising efforts this year to meet local needs and to continue contributing to this campaign. We also need as many club members as are able to make personal contributions to this campaign. Some of these gifts may be eligible for matching gifts from employers so we should take advantage of these if possible. Please think about this endeavor and contribute as you are able. Take care and I will see you at our next meeting.

GUEST: Guests of our Club were our speaker, Dr. Ryan Calhoun and his office manager, Lindsay Rhinehart.
